

**TIMBER INDUSTRY DEVELOPMENT DIVISION  
REPORT ON EXPORT OF WOOD PRODUCTS, SEPTEMBER 2009**

**SUMMARY**

Ghana realised **Euro 11,664,159** from the export of **42,083 cubic metres** of wood products in September 2009.

The corresponding figures for the same period in 2008 were **Euro 17,660,153** and **50,281 cubic metres** showing decreases of **33.95 per cent** in value and **16.30 per cent** in volume respectively.

Figures for Jan-September 2009 were **Euro 97,787,884** and **320,660 cubic metres** compared to **Euro 144,415,992** and **430,081 cubic metres** in Jan-Sept 2008, representing decreases of **32.29 per cent** in value and **25.44 per cent** in volume over the same period last year.

The decline was due largely to a drastic global economic downturn which have generally affected the cash flow of most buyers of wood products.

Of the total value of **Euro 97,787,884** for Jan-Sept 2009, Primary products (Poles and Billet) accounted for **Euro 10,024,377** as compared to **Euro 16,671,514** from the total value of **Euro 144,415,992** in Jan-Sept 2008.

Tertiary products registered **Euro 6,125,672** in Jan-September 2009 and **Euro 10,855,330** in Jan-September 2008. Secondary Products fetched a total of **Euro 81,637,836** in Jan-Sept 2009 and **Euro 116,889,148** in Jan-Sept 2008 respectively.

On Direction of Trade, Africa recorded **Euro 42,216,669** and **168,390 cubic metres (43.17% and 52.51%)** in value and volume of total wood exports for Jan-September 2009.

**Europe** accounted for **Euro 27,987,499** and **71,750 cubic metres (28.62% and 22.38%)** in value and volume respectively of total wood exports for Jan-September 2009. Key markets included Italy, France, Germany, The United Kingdom, Belgium, Spain, Ireland and Holland.

**The emerging markets in Asia/Far East:** India, Malaysia, Taiwan, China, Singapore and Thailand together contributed **Euro 15,760,606 (16.12%)** to the total of wood export value in Jan-Sept 2009.

India continues to be the leading importer of Teak Poles, Billet and Teak Lumber (AD).

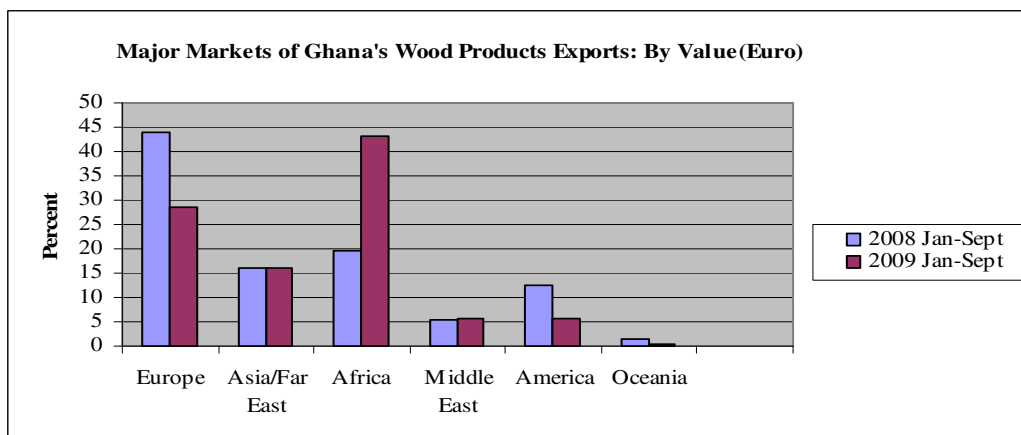

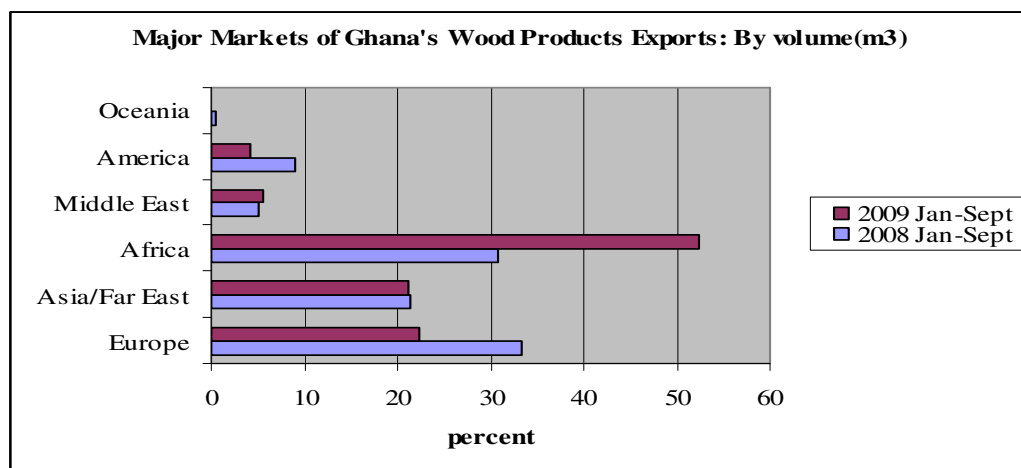

**The US** accounted for **5.82%** and **4.04%** of the total export value and volume respectively of Ghana's wood Export for Jan-Sept 2009 as compared to **12.61%** and **9.01%** in Jan-Sept 2008. That market has recorded revenue declines in terms of wood imports from Ghana.

**The ECOWAS market** (mainly Nigeria, Senegal, Niger, Gambia, Mali, Benin, Burkina Faso and Togo) absorbed Euro **36,073,191 (85.45%)** of Africa's **Euro 42,216,669** wood imports from Ghana in Jan-September 2009. Plywood and Air dried Lumber (Ofram / Ceiba Species) continue to interest the Nigeria and Niger markets.

**The Middle East** countries, notably Saudi Arabia, Lebanon, United Arab Emirate and Israel together contributed **Euro 5,631,879 (5.76%)** to the total export value for Jan-September 2009.

**MAJOR MARKETS OF GHANA'S WOOD PRODUCTS EXPORTS: JAN-SEPTEMBER: 2008/2009**
